

Hold up Premier

Bay, born 1995, 1.67m, app. by: KWPN, S.F., UNIRE.

- **Narcos II - Quidam de Revel - Monceaux xx - Sedukteur x.**
- France's most important stallions at the present time. Narcos II and Quidam de Revel, are the sire and the grand-sire of Hold Up Premier. They jumped internationally and are guaranteed producers with many top offspring like Twist du Valon, Vikking du Tillard, Valeska For Ever, Quinar, Cirka Z, etc.
- In the third generation we find the required thoroughbred, in this case the thoroughbred Monceaux xx, and in the fourth generation also the Anglo Sedukteur x.
- His dam, Belle Little, received a very good maternal report. She also produced the full sister of Hold Up Premier, Free of Tax. She won the pre-finals during the World Championship of 1998 in Lanaken.
- The grand-dam Electre was, in her time, the most successful international show jumping mare. She has a very high ISO of 177. Electre won many Grand Prix and Nations Cups. After her sport career, she produced the approved stallions Flushing and Urbein du Mannai (ISO 167), who also jumped internationally.
- Hold Up Premier placed at the ages of 4, 5, 6, and 7 in the finals of the Stallion Competitions, and in the Dutch Championship. At the ages of 5 and 7, he placed in the finals of the World Championship. He performs well at both the national and international level and is one of the best performing stallions of his age.
- Hold Up Premier sires long lined, tall, full-blooded horses with a lot of elasticity and extra jumping quality.
- Jumping Index: 129.
- Hold Up Premier: the best of France.
